Dear Friends and Neighbors:

We have received a number of inquiries regarding our CCC sign. Several months ago, three letters were unscrewed and taken from the sign. Unfortunately, we could not duplicate the materials used in the original letters and we have been in the process of shopping for an appropriate replacement. This has taken some time.

I want to thank Tim Wolfe for removing the rest of the letters and thanks in advance to Brent Cordell who has generously offered to send someone out to pressure wash and paint the sign. Also, a very special thanks goes to Sylvia for taking the time consuming task of shopping and pricing the material for the new letters.
