**SOCIAL:** Congratulations for a successful annual meeting and thanks to all that assisted in event.

**STREETS and UTILITIES:** The stop sign at Dogwood and Tchefuncte (Eastbound) needs to be replaced. Tim will notify the Parish. Tim stated that he will also find out if the Parish will allow him to maintain some spare signs (stop / speed limit), so that he can address these issues more quickly. Tim also stated that he would like to mark fire hydrant locations with small flags.

**ZONING and PARISH AFFAIRS:** The Parish is moving forward with expropriation of right of way to address drainage issues on Country Club Drive.
