## *Ditch Maintenance*

Did you know that the ditch that runs along your property belongs to you? Residents are responsible for ensuring that ditches are free of vegetation. This means that ditches must be manicured and cut as a part of routine lawn

maintenance. It is in everyone's best interest to keep ditches draining properly. Vegetation growing in the ditch impedes water flow and affects drainage. Please keep landscaping projects from impacting neighborhood drainage!

**Can You Retire on Time?**

When it comes to retirement, the last thing you want is to be unprepared.

Edward Jones offers free retirement plan reviews to help you answer key questions:

- How much will I need to retire?
- How long will my current savings last?
- Does my IRA provide enough earning power? Should I contribute more?
- Is my 401(k) well diversified?
- Do I own any other investments or have a pension?

Contact my office to schedule an appointment for a complimentary retirement review.
